Application Amendments

The specification has been amended to correct an inadvertent typographical error wherein the foreign priority claims were listed in the cross-reference section. No new matter has been added and no additional claim fee is believed to be due at this time.

Attached hereto is a marked-up version of the changes made to the specification by the current amendment. The attached page is captioned "Version with Markings to Show Changes Made."

Conclusion

In the event that issues remain prior to allowance of the noted claims, then the Examiner is invited to call Applicants' undersigned attorney to discuss any remaining issues. Consideration of the application and allowance of all claims are respectfully requested.

Respectfully submitted,
